

# Highway 99W Pedestrian Crossing Project

## Eastbound Lane Closure on SW Kruger Road

Weekdays 7:00am to 3:00pm from July 22<sup>nd</sup> through August 29<sup>th</sup>, 2024

Eastbound access to the SW Elwert Road/SW Kruger Road roundabout will be closed while the project constructs foundations for the new bridge. The detour route shown in **BLUE** will be in effect.

Eastbound traffic on SW Kruger Road will need to turn left onto the Sherwood High School access road, then turn right onto SW Haide Road, and then continue to their destination. Detour signs will be installed to mark the route. Westbound access will still be maintained during this time period.
