

LIBRARY NEWS

Summer Fun

Summer Reading is just around the corner, with events throughout the summer and free books and reading challenges for children, teens, and adults. Pick out your free book to keep, starting June 1.

Kick-off the fun with Mz. Heather Pearl's Variety Show on June 3 at 11:00 a.m. for juggling, magic, dance, comedy, and more.

Mark your calendars for Tuesdays, 11:00 a.m. to 12:00 p.m., June 27 through July 25, for live music, theatre, and dance events from Hands & Hearts Drumming, Red Yarn, Paradise of Samoa, and Lee's Lion Dance Team in Cannery Square. The Oregon Reptile Man joins us at the library on July 1, 11:00 a.m.

Bilingual Storytime in the Park is camp-like experience for preschool through 5th grade children and families, in English and Spanish, returns Thursdays in July, 11:30 a.m. to 12:30 p.m., at Stella Olsen Park. Free lunches provided by Helping Hands.

Find more events, activities, and resources for learning and reading at sherwoodoregon.gov/library and an abbreviated list below.

For All Ages:

STEAM Saturday [In-Person] / Sábado de STEAM [In-persona]

Drop in for a dose of STEAM (Science, Technology, Engineering, Art, and Math) fun on the last Saturday of every month. Build with Snap Circuits, 3-D pens, Magnetic Tiles, and more. Every month has a "surprise" station. On May 27

22560 SW Pine Street 503.625.6688

& June 24 from 11:00 a.m. to 2:00 p.m. For ages 3+.

Visite la biblioteca para recibir una dosis de STEAM. Tendremos muchas estaciones de STEAM: Snap Circuits, lápices 3D, Magna-Tiles y muchas otras estaciones con juegos de construcción. Cada mes habrá una estación "sorpresa". *STEAM (abreviado en inglés) = Ciencia, Tecnología, Ingeniería, Arte y Matemáticas. Sábado 27 de mayo y 24 de junio, de 11:00 a. m. a 2:00 p. m. Edades 3+

Miniature Castle Making Contest

Show off your creativity and celebrate the Robin Hood Festival with us! Make a small castle (no larger than 9" x 9" x 9") and submit to the library June 25 through July 9. The Maid Marion Court and library staff will select the winners. Award categories and rules at sherwoodoregon.gov/library.

For Adults:

Writing Workshop Series [In person]

Author Marie Buckley leads a warm-up exercise and thematic writing session. No experience necessary. Bring writing tools and expect positive feedback. May's theme is "Foreign." Mark your calendar for the last two sessions on Sundays, May 21, and June 18 from 2:00 p.m. to 4:00 p.m.

For Youth:

Storytimes [In-person]

Join us for an interactive session where we read books, sing songs, and play action rhymes. Storytimes are on break May 23 through 25.

• All Ages Storytimes: Tuesdays 10:15 a.m. Designed for kids from birth to age 6.

www.sherwoodoregon.gov/library

• Toddler Storytime: Wednesdays 9:30 a.m. and 10:15 a.m. Designed for ages 12-36 months.

• Baby Storytime: Thursdays 10:15 a.m. Designed for ages 0-12 months.

Read to Mia the Dog

Practice reading in this fun and non-judgmental environment with a trained therapy dog for 20 minutes. Get a certificate and picture with Mia. On the 2nd Saturday of the month from 11:00 a.m. to 12:30 p.m. This fills up about a month in advance. Registration required.

For Teens & Tweens:

Volunteer for Summer Reading

Join our summer events crew! Help at performances and summer reading throughout the summer. Application and details at sherwoodoregon.gov/volunteer. For ages 14+.

Crazy Candy Sushi

Use candy to make food look like sushi. Prizes for creative candy sushi. For ages 10+. On July 5 from 2:00 to 3:00 p.m. Registration required.

All events are free and open to the public. Sign up for our monthly e-newsletter at sherwoodoregon.gov/library/newsletters. Contact us at askusPI@sherwoodoregon.gov or 503.625.6688

Sherwood Public Library, a Washington County Cooperative Library Services member library, is located at 22560 SW Pine St., Sherwood, OR, and always online at sherwoodoregon.gov/library. Hours: Mon-Thu 10:00 a.m. to 8:00 p.m.; Fri-Sat 10:00 a.m. to 6:00 p.m.; Sun 1:00 to 5:00 p.m.

MAYOR UPDATE

Partnering with Sherwood Schools to promote Youth involvement in Local Government.

In the heart of Oregon, the city of Sherwood is renowned for its robust community spirit, its commitment to education, and its steadfast investment in the future. I believe that an integral part of our future lies in the hands of our younger generation.

We are working with the Sherwood School District to foster this involvement by creating a Youth Advisory Committee (The final name of the program is subject to change). This initiative aims to inspire future leaders and ensure our youth's voices are heard, shaping the future of our beloved city.

Building Bridges for the Future

Sherwood School District, a hub of learning and innovation, is not just an educational institution. It serves as the launch pad for our future leaders. Working together to establish a Youth Advisory Committee will allow students to engage with local government, gain insights into public policy, and learn how rewarding service to your community can be.

We are also looking to create opportunities for this committee to engage not only at the local level but at the State and Federal level as well.

We are excited about this collaboration and are working to have a program in place by the upcoming fall season. This committee, composed of students from our schools, will hold meetings to discuss city matters, propose ideas, and bring a youth perspective to local government and our community.

The Youth Advisory Committee is not merely an informative and educational platform for our students; it serves as a conduit for their voices to be heard. Our youth are not only our future leaders but also residents who interact with the city's services, facilities, and policies daily.

This initiative will cultivate a sense of civic responsibility among our youth, teaching them the intricacies of governance and public service. More importantly, it will amplify their voices, reinforcing that they are valued community members with ideas and opinions that matter.

To understand our initial ideas for the Youth Advisory Committee, we encourage all residents to watch the joint City Council and School Board of Directors work session held on April 19, 2023. This meeting gives an overview of our vision for the program.

This year we also kicked off a new program to engage kids at all levels with our "If I Was a Mayor" contest. The Sherwood winners are being entered into the statewide contest sponsored by the Oregon Mayors Association.

I am also very proud that This year's "Kid Governor" and "Youth Governor" are members of our great city! This is a testament to the fact that our youth want to be involved and learn more about how our government and city work.

In conclusion, we are excited about the future of Sherwood. By working with the Sherwood School District to establish a Youth Advisory Committee, we are taking concrete steps towards nurturing our future leaders and giving our youth a voice.

Let's embrace this opportunity to shape an inclusive, vibrant, and forward-thinking Sherwood. Let's listen to our youth, for they are the future of our city.

UPDATES FROM YOUR PUBLIC WORKS DEPARTMENT

The Water Quality Report will be available soon

The City of Sherwood is proud to deliver water to over 20,000 people every day. We think it is important for our customers to understand where their water comes from, how safe it is, and what actions we take to ensure its continuing safety.

In accordance with federal guidelines, these reports provide the information you need to know about the water you drink. Contaminant levels in your drinking water are well below state and federal regulatory limits.

The 2021 annual edition of the Water Quality Report is available online and by mail upon request. The 2022 annual edition of the Water Quality Report will be available soon.

Visit sherwoodoregon.gov/waterqualityreport to read the test results of regulated and unregulated contaminants detected in your water in 2021 and come back to read the 2022 report.

You may also read about the many activities your Water Department performs to bring the highest quality water to your home and business at sherwoodoregon.gov/waterqualityreport.

If you would like a paper copy mailed to you, please call the Utility Billing Department at 503.925.2315 or email a request to utilitybilling@sherwoodoregon.gov and provide your name and current mailing address.

Sherwood Broadband and Utility Bill: your bill is getting a new look!

We redesigned our utility bill so that we can include Sherwood Broadband! This will keep all of our utilities on one single bill. You may have seen the new design beginning on your May Bill.

If you have Sherwood Broadband service, but do not receive a utility bill from us, (e.g., you live in an apartment, condo, or outside the City limits), you will also see a new bill design. In addition, you will be able to pay your bill through our online bill pay site at online-billpay.com.

In case you haven't heard, Sherwood Broadband is your friendly neighborhood fiber-internet provider. If we are not already in your neighborhood, we will be soon! Sherwood Broadband is local, community-owned fiber internet with no data caps or hidden fees. Please visit sherwoodbroadband.com to learn more and follow our Facebook page! If you have any questions about your bill, please call 503.925.2315.

POLICE DEPARTMENT NEWS

Is it finally summer yet?? It's been such a weird and long winter/spring this year and I don't know about you, but I am looking forward to the sunshine!

As the weather begins to warm up, we'd like to take the time to talk about three important summer safety topics.

May is Motorcycle Safety Awareness Month, which focuses on reminding vehicle drivers and motorcyclists that motorcycle safety is everyone's safety. We normally see more motorcycles on Oregon roadways during the summer months and statistically, they are twenty-eight times more likely than passenger car occupants to die in a motor vehicle crash and four times more likely to be injured.

It's important to yield for motorcyclists, especially while turning at intersections. Since motorcycles are smaller than most vehicles and difficult to see, it can cause drivers to misjudge their speed and distance. A motorcycle still has the same rights of the road as any other motorist, which means they always get the full width of a lane. It's important to take the extra time to check all mirrors and blind spots for motorcycles before changing lanes or merging with traffic. If you are driving behind a motorcycle, allow more follow distance between your vehicle in the motorcycle – beyond three to four seconds. This gives them time to stop or maneuver quickly in an emergency.

In 2020, the National Highway Traffic Safety Association (NHTSA) reported that there were 5,579 motorcyclists killed in traffic crashes, which was a 14% increase from the year prior. With your diligence and attentiveness, you can help make Oregon roads safer for everyone.

Secondly, it's important to remember the dangers of leaving dogs or children unattended in a vehicle during the summer. When the outside temperature is 85 degrees, the vehicle can reach approximately 104 degrees in only ten minutes.

Most people think it's okay to leave their dog in the vehicle if they're parked in the shade or the windows are rolled down but unfortunately that can still have devastating effects on them. Temperatures inside a car increase by an average of 19 degrees in the first ten minutes – even in the shade.

Owners can be charged with Animal Neglect if they leave their dog unattended in a hot vehicle. If you see a dog in distress, call the non-emergency number at 503.629.0111.

Finally, if you are planning on enjoying Oregon's beautiful lakes or rivers, it's super important to stay safe while doing so. Be sure to plan ahead by checking online resources for information pertaining that specific lake or river. You can visit boatoregon.gov for a detailed map that indicates current obstacles within rivers. Stay clear of partially submerged trees or limbs; strong currents can quickly carry you in, potentially leading to capsizing or entrapment. Fill out a float plan and print out a copy to let others know where you are going and when to expect your return. Most importantly, always wear your life jacket!

We hope you have a fun and memorable summer this year and as always, call us if you need us! We are here to serve you 24/7.

BOARDS AND COMMISSIONS

The City Council recognizes the importance of the public involvement process and the contributions citizens can offer. As the recipients of government services, citizens may best be able to identify where efficiencies and improvements may benefit the city.

Council has therefore created a system of boards and commissions designed to foster the relationship between the city and its citizens and ensure that the city considers and appropriately weighs the needs and interests of all Sherwood citizens.

The City of Sherwood has several openings on a variety of citizen boards and commissions and is seeking applicants to serve their community.

Recruitment begins in June each year; however applications are accepted throughout the year. Vacancies occur due to term expirations or resignations and the application process can take several months.

If you would like to learn more about the boards and commissions or about current vacancies please visit sherwoodoregon.gov/bc.

HELP SHAPE YOUR COMMUNITY

The City of Sherwood has several openings on a variety of citizen boards and commissions and is seeking applicants to serve their community.

Information about these boards and commissions, as well as application materials are available at SherwoodOregon.gov/bc or by emailing CityRecorder@sherwoodoregon.gov.

FEATURED PARTNER: ROBIN HOOD FESTIVAL ASSOCIATION

The Sherwood Robin Hood Festival Association (SRHFA) is actively planning the 2023 Robin Hood Festival, one of the oldest and unique events in Oregon, that began in 1954. Both medieval and modern, the Festival will fill the streets of Old Town Sherwood on the evening of July 14, and all day July 15, offering fun for all ages. Festival activities begin on Friday evening at 5:00 p.m. The Festival will include a vendor village with approximately 100 booths offering a wide variety of crafts, services, and food. There will be kids' crafts, activities, a beer, wine and cider garden, and more! One of the most unique sporting events in Oregon, The International Archery Match between Nottingham, England and Sherwood, Oregon, will take place on Saturday and Sunday at Sherwood High School. The Sylvan Archers, Inc. of Sherwood host and organize Sherwood's portion of this competition that was originated by the SRHFA in 1956. Community volunteers invest countless hours to create festival activities attracting 20,000+ attendees from near and far. Scheduled times for festival activities will be highlighted in the July Sherwood Gazette, and will be available at the festival souvenir booth and on our festival website, www.robinhoodfestival.org.

This year's festival will once again feature a continuous line-up of musical groups on the Main Stage, including Jennifer Batten and Full Steam on Friday night and including Nu Wavers and Hit Machine on Saturday. Entertainment for the entire family is planned on the Family Stage and on the grounds. Family Stage entertainment begins on Friday evening at 6:00 p.m. at Veterans' Park, with the traditional Knighting Ceremony. Each year several Sherwood area residents are selected to be honored for their service to the community. Over 400 have been knighted by Maid Marian in ceremonies spanning over three decades. The Sherwood Renaissance Singers begin singing at 5:45 p.m. Family entertainment and a Teen Dance follow. Local groups and entertainers are scheduled for Saturday on the Family Stage, including BJ the Clown and the Seattle Knights. Medieval entertainment and demonstrations will take place including those at the Medieval Village located on 1st Street adjacent to Veterans' Park.

The traditional and popular festival community parade will begin on Saturday at 10:00 a.m. at the SW Langer Farms Parkway roundabout, welcoming family-friendly entries from Sherwood and beyond. The parade will make its way to downtown Sherwood drawing a large number of spectators. This parade offers the perfect opportunity to show your community spirit with a creative entry commemorating "Merrie Olde Sherwood." Everyone loves a parade whether you are a participant or a spectator. Festival activities continue throughout the day. Residents are also encouraged to take part in the Castle Building Contest, demonstrating their creativity in their entries submitted for judging.

The SRHFA held the inaugural Madrigal Feast on April 15, where the 2023 Maid Marian and her Senior and Junior Courts were introduced. It was an evening full of wonderful entertainment and a delicious dinner. We want to thank the many sponsors, entertainers, attendees, and volunteers who took part in making this event a big success. The 2023 Maid Marian Court will reign over our summer festival and will represent Sherwood at events in Sherwood and neighboring communities throughout the year.

Sponsors, vendors, archers, parade entrants, volunteers or anyone interested in the festival may visit our website at robinhoodfestival.org, email us at robinhoodfestival@gmail.com, or leave a message at 503.625.4233. The SRHFA is an all-volunteer, non-profit organization in service year-round to the Sherwood community. We proudly offer two annual scholarships. Come join in the fun at the Sherwood Robin Hood Festival brought to you by Langer's Entertainment Center. The SRHFA wants to take this opportunity to thank all of our generous sponsors, numerous volunteers and event attendees that contribute to the success of our annual festivals and community projects.

PLANNING NEWS

Sherwood West Concept Plan Re-look Project

It is anticipated that the Sherwood West Concept Plan Re-look will wrap up in June/July. The Sherwood Planning Commission will make a recommendation to City Council which will then decide to accept the plan document.

The city has undertaken a two-year process to revisit the 2016 Sherwood West Preliminary Concept Plan. There have been significant changes in Sherwood and surrounding areas since the Preliminary Plan's approval:

- The Sherwood School District constructed the new 350,000 square-foot Sherwood High School on 70+ acres inside the Sherwood West area.
- Washington County completed its Urban Reserve Transportation Study (URTS), which provides updated transportation impact information to help with future planning in urban reserve areas.
- Completion of a significant update to Sherwood's Comprehensive Plan.
- The Sherwood City Council has prioritized adding employment land and job growth as a goal. Sherwood West is an opportunity to help achieve that goal.
- New state rules related to housing.

The 1,291-acre Sherwood West area is just one of Sherwood's four designated "urban reserves." Urban reserves are areas that the Metro Regional Government agency, in coordination with its partner cities, has designated for potential urbanization over the next 50 years. An urban reserve designation does not change a property's current zoning or restrict a landowner's currently allowed use of their land. It does, however, provide greater clarity regarding expected long-term uses of the land, allowing public and private landowners to make long-term investments with greater assurance.

We know that communities that plan for growth have the best chance of managing their destiny. Given that it is Sherwood's largest urban reserve area and its location near existing development and infrastructure, Sherwood West has been identified as the most logical direction for the city to look at next to plan for growth in the long-term.

The city convened both a technical and community advisory committee to guide the planning process. Their goal is to help shape the development of a concept plan that identifies strategies for how Sherwood can grow while retaining our sense of place and providing quality places to live, work, and play in Sherwood West.

The city has engaged the community through open houses and public comments at meetings to gather input on proposed concepts and themes for land uses, parks and trails, and the transportation network. All meeting materials and additional information on this project can be found on the city's website: sherwoodoregon.gov/planning/page/sherwood-west-preliminary-concept-plan-re-look

Check the City's website for upcoming meeting information. If you have questions or would like to receive regular updates on this project via email, please contact Erika Palmer, Planning Manager at palmer@sherwoodoregon.gov.

PLANNING NEWS CONTINUED

NW Natural Street of Dreams in Sherwood

The 48th annual NW Natural Street of Dreams will be held in Sherwood July 29 through August 20. The annual home tour produced by the Home Building Association of Greater Portland offers an opportunity for home inspiration, showcasing the latest design trends and technology.

Three custom-built homes in Denali Summit constructed by JT Roth, Teal Point Custom Homes and Mike Riddel Construction will be open to the public 7 days a week from 10:00 a.m. to 9:00 p.m.

Additional homes in the surrounding region at a variety of price points will be open for touring. For more information on this event, including tickets, please visit StreetofDreamsPDX.com.

Robin Hood Festival Plaza

Just in time for the summer festival season, a new flexible public space that can host a variety of community activities and events but will also function as a parking lot on a day-to-day basis will be completed early this summer at the corner of SW 1st and SW Pine Streets in downtown Sherwood.

The site originally housed the Robin Hood Theater which was built in 1946. The theater burned down and was demolished in the early 2000s and has served as an unimproved gravel parking lot. Elements of the design include decorative paving and seat walls, high mast plaza lighting with the functionality to suspend sunshading canopies to support local events, landscaping, a decorative art screen, and site furnishings.

Neighborhood Reminder -- Overgrown Vegetation

Spring brings both rain and sunshine that cause grass, weeds, and other plants to wake up and go wild. Property owners handle all vegetation in their yards and planter strips next to the street. Vegetation must be less than 10 inches tall for grass, weeds, blackberries, etc.

- How to keep your home's vegetation in compliance with City codes
- Flowers/ vegetation/ shrubs can't grow onto the sidewalk or street. Keep the edges of all vegetation trimmed flush with the edge of the sidewalk and curb.
- Trim dangling tree branches at least 7 feet above the sidewalk. Overhanging vegetation can block drivers' views of people, stop signs, and streetlights. Low-hanging branches can hit bikers and people walking.
- Make sure your property's vegetation is not blocking traffic signs, signals, streetlights, or street signs. Keep shrubs and vegetation no higher than 3 feet on street corner properties and areas next to neighbors' driveways to keep vision clear for people, children riding bikes, and other vehicle traffic.

For information about vegetation, email codecompliance@sherwoodoregon.gov or call 503.625.4236. The Code Compliance Officer works out of the Community Development Department located in City Hall. Sherwood has one full-time Code Compliance Officer.

Movies in the Park Series

The City of Sherwood and Senestraro Family Orthodontics are excited to present the 2023 Movies in the Park series.

Join your neighbors for an evening under the stars at Stella Olsen Park! Grab your blankets, picnics, friends and family and get ready for an unforgettable time in front of the big screen this summer.

Movie events will occur August 11, 18 and 25. All movies are free and open to the public, and will begin at dusk (8:00 p.m. to 8:30 p.m.). Pre-activities and performances will begin at 7:30 p.m. Visit SherwoodOregon.gov for more information.

Want To Sponsor This Event?

Looking for a unique opportunity to get involved in YOUR Sherwood community? Consider sponsoring this cherished, family friendly event. Not only does this opportunity provide a personal connection with the community, but immediately boosts your business visibility.

As a sponsor, your donation and contributions not only demonstrate your commitment to OUR community, but also keeps this fun, beloved program accessible and FREE for all to enjoy. To learn more contact Leah Burgess at burgessl@SherwoodOregon.gov.

MARJORIE STEWART SENIOR COMMUNITY CENTER ACTIVITIES

We continue to celebrate healthy aging this month at the Marjorie Stewart Senior Community Center with a new series on conversations to explore common themes in many of our lives. We also learn and grow with a great group for Crochet 101. We also get our heart rate up while grooving and two-stepping at Line Dancing!

Let's Talk - First Wednesday of each month ar 1:30 p.m. - Free

Let's Talk offers a setting for open, honest, and facilitated discussion on topics unique to people over the age of 60. These interactive conversations provide a forum for discussion as well as an opportunity to explore new possibilities, resources, and connection. In partnership with Cascadia Health. Call 503.625.5644 to register.

May 24 (Special Session beginning at 10:30 a.m.) - Healthy Aging

There are steps we can take to thrive as we grow older. We cannot stop the aging process but can take important steps that will help. We call these the Four Pillars of Healthy Aging: Exercise, Healthy Diet, Active Mind, & Keeping a Positive Attitude. Let's Talk about how you can engage each of these pillars in your lifestyle.

June 7 - Adult Children

How's it Going? How do you get along with your adult children? Meet to discuss how your relationship has or has not weathered the test of time.

July 5 - Talking with Your Doctor

In a good doctor/patient relationship you will feel part of a team working towards your best health possible. Join us for a conversation about the frustrations of dealing with doctors and share ideas on how to have a more satisfying relationship with them.

Self-Care Conversations at 3:00 p.m. - Free

- June 1 – Aging & Sexuality
- June 8 – Family Estrangement
- June 15 – Caretaking
- June 22 – Navigating Your Medical World
- June 29 – Expressing Creativity

These 90-minute sessions are for people experiencing age related changes in life, including social isolation, medical challenges, changes in family dynamics, depression, anxiety, loss of relationships, and the complexities of long-term care and end of life planning. We will work together to identify solutions and offer a supportive space for listening and problem solving.

MARJORIE STEWART SENIOR COMMUNITY CENTER ACTIVITIES Continued

The Experience of an Aging Mind - Friday, June 23 at 10:30 a.m. -Free

We continue to celebrate healthy aging with this workshop about how our brain ages and how we experience those changes. This conversation will correct myths of aging, normalize mental changes and mental health experiences, and help participants recognize internal change and be a proactive participant in life transitions.

Each meeting will be facilitated by Joan Laguzza, LCSW, a clinical social worker licensed in the State of Oregon who specializes in working with older adults and issues related to aging. Joan's goal is to eliminate stigma related to aging through community education as well as to rediscover your Joie de Vivre (Joy of Living). More information about Joan can be found at www.joiepdx.com

Aging Attitudes: How beliefs about aging impact your health and what you can do about it - Wednesday, May 24 at 1:30 p.m. - Free

What comes to mind when you think of aging? Do you think of thriving diversity and growth or debility and disdain? Our beliefs about aging impact how well and how long we live. In this program, learn where our ageist beliefs come from and how to identify them in our lives. Get an easy-to-use tool to become a paradigm-shifting, narrative-changing champion of aging for yourself and future generations.

AARP Smart Driver TEK - Wednesday, May 17 at 10:30 a.m.

Join AARP's 90-minute workshop to learn all about the latest high-tech safety features in your current car, or what technology to look for when shopping for a new car such as the safety benefits of blind spot warning systems, forward collision warnings, and more!

Line Dancing is Moving!

We're spreading out the fun and moving Line Dancing to the 1st & 3rd Fridays at 3:00 p.m. Shuffle, kick, and grapevine your way through this high energy class. In this class you'll learn basic line dance moves and routines that we'll build upon each class. Have fun, move your body, and learn a new dance!

Crochet 101 - Mondays & Wednesdays at 1:30 p.m. - Free

Have you ever looked at a blanket and wondered what wizardry was able to make such an intricate thing? Join Crochet Master Lavette to take the mystery out of crochet as we start off with washcloths and work our way up to creating items of function and beauty. Already a crochet wizard? Come along for the fun of it! Craft, chat, and have a great time!

The Marjorie Stewart Senior Community Center is a place to have a delicious meal, exercise, learn, play, and find support. If you have questions or would like to participate in any of our activities or services, please call the center at 503.625.5644 or email burbankm@sherwoodoregon.gov.
