- 5 Debt Service

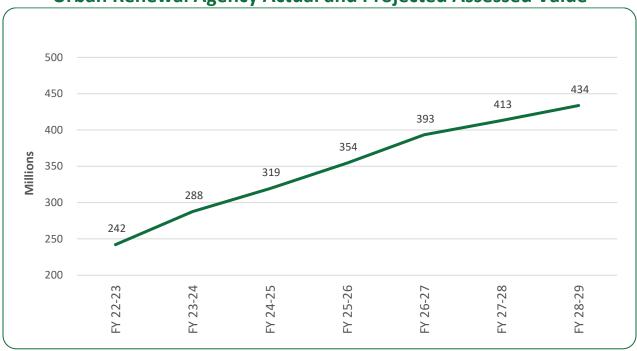

#### **About the Agency**

The 2021 Urban Renewal Agency (URA) is a separate entity from the City of Sherwood. The Sherwood City Council serves as the Board of Directors for the URA and is financially accountable for its operations. In accordance with Oregon budget law, the URA prepares its own budget, and the Board of Directors approves its annual appropriations.

Urban renewal agencies are designed to borrow money and make expenditure for economic and community development projects included in the Urban Renewal Plan. When the Sherwood 2021 Urban Renewal Plan was adopted in 2021, property values were frozen. The taxes collected on that frozen value continues to flow to the taxing authorities (City, County, Schools, TVF&R, etc.). The taxes collected on increased property values that typically occur with new development generate incremental tax revenue. This tax increment is then used to repay the URA debt and implement the URA plan.

Urban Renewal tax collections are not an additional tax. Urban Renewal tax collections are used to initiate development that would not be financially feasible without infrastructure improvements made possible by urban renewal financing.

#### **Urban Renewal Agency Actual and Projected Assessed Value**

#### **Budget Message**

It is my privilege to provide you, the citizens of the City of Sherwood, with the proposed 2021 Urban Renewal Agency (URA) budget for Fiscal Year 2024-2025 (FY2024-25).

The Agency budget consists of two funds: a General Operating Fund and a Capital Projects Fund. The Operating Fund is used to account for Agency administration costs and some economic development activities within the Urban Renewal Area. The Capital Projects Fund is used to account for construction projects and property purchases. All of the projects funded through the URA Capital Projects Fund are transferred to City ownership upon completion.

The Agency operates under direction from the Agency Board of Directors.

#### FY2024-25 Proposed Budget

The proposed FY2024-25 Operations Fund budget consists of personal services, allocated overhead, and material and services expenses needed to continue administering the URA. Debt service payments account for 58% of the proposed expenditures, while personal services account for 29% of the proposed expenditures.

The proposed FY2024-25 Capital Projects Fund budget primarily includes appropriations for construction of a High-Arched Pedestrian Bridge across Highway 99W, final design and start of construction on Ice Age Drive and continuing moving forward with developing Tannery design plans for mass grading and site cleanup for approval by Department of Environmental Quality (DEQ). Funding for these projects will come from tax increment revenue and loans.

This promises to be another exciting year for the Agency. Projects that have lived in the imaginations of elected officials and Sherwood citizens for years are proceeding through meticulous planning, design and construction. I am looking forward to another active year of Agency progress and community achievement.

Respectfully Submitted,

Craig Sheldon URA Manager
