Impact on Taxing Districts

The revenues foregone by local taxing districts due to urban renewal are shown in Table 4. This information is from the Washington County Assessor records, SAL Table 4e. The revenue from General Obligation Bonds is also shown.

Urban renewal agencies do not create an additional tax. Instead, during the Area's lifespan, overlapping taxing districts "forego" a portion of their permanent rate. Once the urban renewal area is terminated, the taxing jurisdictions receive the full permanent rate of taxes. The Sherwood School District and NW Regional Education Service District are funded through the State School Fund on a per pupil allocation. There is no *direct* impact of urban renewal on their funding. The State School Fund is funded through property tax allocations, but also through other state resources.
